Dear Mr Butler

Cybernetic Parachute Release System (CYPRES)

I can confirm that in the opinion of the United Kingdom Civil Aviation Authority, the Cybernetic Parachute Release System (CYPRES) Automatic Activation Device may be regarded as not subject to the provisions of the International Civil Aviation Organization's Technical Instructions for the Safe Transport of Dangerous Goods by Air, and may therefore be carried by passengers without restriction.

Yours sincerely

A handwritten signature in black ink, appearing to read 'G Leach', written over the printed name and title.

Geoff Leach
