## Judges Conflict of Interest Form

This form is to be completed by all Judges prior to taking part in any judging role. All judging must be seen as being completely impartial and devoid of any conflict of interest.

Any situation in which a person is in a position to **derive or provide** a benefit from actions or decisions made in their official capacity is a conflict of interest. If your ability to exercise judgement or act in a role could be/is seen to be impaired/influenced by others, then you must declare it. This includes, but is not limited to: a relative, friend, work colleague or any connection that may result in a personal gain, financial gain or a material interest.

You must make the Chief Judge aware of any conflict of interest as soon as it is found. If acting as the Chief Judge, you should inform the Chair of EPC as soon as is practically possible.

Part A should be signed if there are **no** actual, potential, or perceived conflicts of interest.

Part B should be signed if there are actual, potential, or perceived conflicts of interest.
