<i>Name of assessor</i>					<i>Video footage of jump 2</i>	
<i>Comments</i>						
<i>Cleared for Camera suit use</i>	Assessor Signature:					
	Date:					

<i>Additional Comments</i>
<p><i>A camera brief and the use of a camera suit can be completed at the same time if required.</i></p> <p><i>Camera suit practice jumps should be assessed via direct observation of the climb out and exit or by video review.</i></p> <p><i>Each Camera Flyer must conduct personal reserve emergency drills prior to each jump with a camera suit/jacket.</i></p> <p><i>NOTE: Use of an audible altimeter is mandatory for all jumps where a camera is worn. The recommended minimum opening height when using camera wings is 3000ft AGL.</i></p>
