TRAINEE JUDGE TRAINING LOG

On the reverse side of this form is a log of Trainee Judge training carried out.

It is recommended that you as a Trainee Judge maintain this log, as this will assist Senior Judges to assess your proficiency, when ready to sit your National Exam Papers.

It should be noted that the maintenance of the log should be your responsibility and not the Senior Judge conducting the training. However, the log should be kept with your Judging logbook for easy access.

It is not mandatory that this log be maintained. However, without it, it may be difficult for Senior Judges to know if you are ready to sit your National Exams and are happy everything has been covered.
