Topic/Title:

Author Name:

BS Number:

Ratings:

Date:

PTO:

Background / Topic Information:

[Summary of the topic]

Urgency

[Does this need to be considered at the meeting date suggested above, or can this wait (helping the Chair to manage number of long discussion topics at meetings)?

Purpose / Reason / Justification

[Is the change justified? / Does it have any adverse impact on Safety/ How does it affect other sections / paragraphs / NBs of the Operations Manual? Are changes required in British Skydiving training manuals / Forms?]

Consultations undertaken to date

[Any consultation work undertaken / needed to be undertaken prior to a decision]

Conflict of Interest

[Who may be conflicted by the proposal? Any consultation work undertaken / needed to be undertaken prior to a decision]

Proposal to be considered or recommendation being made:

[Changes to the Operations Manual should follow current wording for example: Section x (Section Title), Paragraph x, (Paragraph title), Sub-para x x followed by the current text in the Operations Manual.

[Changes to read]

Followed by the suggested Draft wording of the proposal which the Committee is asked to vote on. Following discussion at the meeting, counter proposals may be given at the meeting, or the wording of this draft amended to reflect any discussion]
